Proper Attire Required

The Brazoria County Peace Officers Assoc. is a non-profit organization that holds various activities throughout the year to raise money for scholarships. We also use these funds to give support to law enforcement officers and their families in times of emergencies.

In the past fourteen years alone, BCPOA has awarded over \$55,000 in scholarships to children of our members and over \$79,000 in donations to various organizations to include: BC Fair Association, Breast Cancer Awareness and Military Moms and Wives.

This amount includes donations to area law enforcement officers and local families in need of a helping hand for things such as medical and funeral expenses.

None of these donations would have been possible if not for people and businesses like you.

Thank you!
